

How to read your statement

Better informed, better equipped

Your account statement provides a fast and easy way to analyze your portfolio, while giving you a clear picture of how your investments are working for you. It delivers information about your account and details of transactions for the statement period.

It's clear, comprehensive, and convenient

Your account statement is so complete you can use it to:

- Make budgeting easier
- Plan your expenses
- Simplify your tax preparation

FINANCIAL PROFESSIONAL INFORMATION

Provides you with advisor contact information for easy access when making inquiries about your statement.

YOUR ACCOUNT NUMBER

Lists the account numbers for each of your accounts.

INCOME SUMMARY

Reports your total taxable and nontaxable income, including year-to-date dividends, interest, return of capital and principal, and any additional income.
